

BSB60720 - Advanced Diploma of Program Management

Leading Project Managers and/or Managing Programs

Overview

The BSB60720 - Advanced Diploma of Program Management course is aimed at project directors, program managers, project portfolio managers, program directors, sponsors and experienced project managers seeking to increase their capability. Typically delegates apply principles, tools and techniques to programs and/or portfolios of projects.

The course is based upon:

- Managing Successful Programmes (UKCO)
- The Standard for Program Management (PMI)
- PfM - Portfolio Management Guide (UKCO)
- Portfolio Management Standard (PMI)
- BSB60720 qualification standard
- RegPM CPSPM, CPPD & CPPE Standards (AIPM)
- IPMA Competence Baseline (ICB) Version 3.0
- P3M3 & P3O (UKCO*)

Course Outcomes

- Establish a program to ensure successful implementation.
- Development of a business case to support program set-up.
- Apply benefits management through the program lifecycle.
- Integrate program governance into organisational governance
- Optimise risk management across programs and projects
- Apply principles of procurement and contract management
- Manage program resources including a flexible workforce.
- Ensure a program is monitored, controlled and reported
- Apply appropriate stakeholder engagement
- Provide suitable leadership to a program and projects
- Facilitate the development of collaborative alliances
- Ensure program delivery achieves the desired outcomes
- Lead and manage organisational change to ensure program outcomes are embedded in the business.

Entry requirement, awards and RPL

BSB60720 entry requirement is a Diploma of Project Management or 2 years significant workplace experience in a project or program environment. Upon satisfying course requirement candidates are eligible for Certified Practising Project Practitioner (CPPP) certification (on joining AIPM as an Associate or full member).

Alan Schwartz (AGS) delivers the training and undertakes assessments. Qualifications are awarded by Registered Training Organisation Australia Institute of Business and Technology #41138. Participants may be eligible to have previous studies and experience recognised towards the qualification. Please contact AGS regarding Recognition of Prior Learning (RPL). Total course time required can range from 75 - 550 hours depending upon experience, amount of workplace evidence, speed of working etc.
