

BSB61215 - Advanced Diploma of Program Management

Leading Project Managers and/or Managing Programs

Overview

The BSB61215 - Advanced Diploma of Program Management course is aimed at project directors, program managers, project portfolio managers, program directors, sponsors and experienced project managers seeking to increase their capability. Typically delegates apply principles, tools and techniques to programs and/or portfolios of projects.

The course is based upon:

- Managing Successful Programmes (UKCO)
- The Standard for Program Management (PMI)
- PFM - Portfolio Management Guide (UKCO)
- Portfolio Management Standard (PMI)
- BSB61215 Standard
- RegPM CPSPM, CPPD & CPPE Standards (AIPM)
- IPMA Competence Baseline (ICB) Version 3.0
- P3M3 & P3O (UKCO*)

* UKCO - UK Cabinet Office

Course Outcomes

- Establish a program to ensure future successful implementation.
- Development of a business case to support program set-up.
- Apply benefits management through the program lifecycle.
- Integrate program governance into organisational governance
- Optimise risk management across program and project lifecycles
- Apply principles of procurement and contract management as it pertains to the program context.
- Manage program resources inclusive of managing a flexible workforce.
- Ensure a program is monitored, controlled and reported on in an appropriate manner.
- Understand the importance and level of stakeholder engagement across the lifecycle of a program.
- Provide suitable leadership to a program and the projects, and sub-programs within the program.
- Lead and manage organisational change to ensure program outcomes are embedded in the business.
- Facilitate the development of collaborative alliances
- Ensure program delivery achieves the desired outcomes.

Course Outline

See attachments 1 and 2.

Entry requirement, awards and RPL

BSB61215 Entry requirement is a BSB51415 -Diploma of Project Management or 2 years significant workplace experience in a project or program environment. The course includes progressive assessment – upon satisfying criteria, delegates are awarded BSB61215 - Advanced Diploma of Program Management by Agreement with Pro Leaders Academy, Registered Training Organisation 45024. Participants may be eligible to have previous studies and experience recognised towards the qualification. Please contact AGS regarding Recognition of Prior Learning (RPL). Eligible participants may also complete AIPM RegPM Certification at CPPD or CPPE level as appropriate. The course does not cover the full scope of portfolio management or CPPE.

Total course time required can range from 100 - 440 hours depending upon experience, amount of workplace evidence, speed of working etc.

Courseware & evidence

Participants receive Assessment Record Book, (ARB), references, course manuals (Parts 1 & 2), slides, checklists, templates, examples, videos.

The evidence process is summarised as follows:

- Undertaking activities which include filling out templates. AGS provides templates, examples, checklists. Workplace templates/ deliverables may also be used for evidence
- Completion of an Assessment Record Book (ARB), primarily answering knowledge and understanding questions (no exam!).
